Pinewood's Middle and High School Before and After- School Care Program

E-mail: pinewoodplus@pinewoodprep.com

Dear Middle and High School Parents,

Hello and welcome to Connect. This program was set up to provide before and after school care for students in grades 6 and up. This program may be used regularly or on a drop-in basis. The program hours are from 6:45 a.m. to 7:40 a.m. (Middle School only) and 3:10 p.m. to 6:00 p.m.

For after-school care, students should report directly to Connect on the Middle School Playground (Explorer Playground) at 3:10 p.m. unless they need to visit their locker first, in which case they can. The alternate reporting location will be Room 20 in the Breezeway if there is inclement weather. Upon arrival at Connect, students will have ample space to complete homework. Students will not be allowed to leave Connect to get things that they have forgotten. Please remind them to come prepared with a pen or pencil, paper, and any books they may need.

Students must be signed out by a parent when leaving for the day unless they are leaving for their team sporting event or team practice. Please communicate in advance via [email](#) (above) if your child will need to leave Connect for an on-campus practice or if they will be leaving with another student.
