

Class Meetings During Virtual Learning

Students are expected to attend all Virtual Class Meetings and Advisement.

Teachers will take attendance at the beginning of each class. The attendance policy in the Middle and High School Handbook applies to both virtual and in-person classes. Parents will need to document absences to virtual classes in Panther Tracks (using the same process as when we are on campus).

It is important for students to fully participate during virtual learning. Students are expected to have their camera on at all times during virtual class meetings unless they have permission from their teacher to have their camera off.

Students are expected to be appropriately dressed for virtual class meetings. Students do not need to wear their school uniform, but we expect students to use good judgment and dress respectfully.

Students are expected to abide by the Pinewood Honor Code. Academic cheating will be reported to administrators (see Honor Code policy).

The schedule below indicates meeting times for each curricular area. Teachers will notify students of the virtual meeting time for each of their classes.

Virtual Learning First Day Schedule

This schedule will be followed on the first day of virtual learning to allow teachers to meet with all classes to review virtual learning expectations and schedules.

Students do not need to meet during their study hall period.

Suggested Schedule for High School Students During Virtual Learning

This is a sample schedule to help students organize their day for virtual learning. It is important that students create and follow a schedule during virtual learning. Students should use this as a guide to help structure their day to complete assignments, take tests, watch video lessons, and attend their mandatory virtual meetings. Please keep in mind that these are *suggested* times that will work for most students. When students receive the actual times for their required Google Hangout meetings, adjust this schedule as needed, and be sure to determine a time for break and lunch each day.
