

# Pinewood Preparatory Scholarship Opportunities

*Thank you for your interest in starting a scholarship at Pinewood.*

## **AWARDS**

In-house scholarships are awarded to upcoming seniors for tuition reduction at PPS at the Junior/Senior Awards Ceremony in May. Scholarship awards typically range from \$500 to \$1,500. Scholarships are a great way to honor or remember a loved one with naming recognition. All scholarships are 100% tax-deductible.

## **QUALIFICATIONS**

The donor may specify certain requirements for the scholarship, such as: outstanding citizenship, interest in a certain subject, academic excellence, participation in extracurricular activities, strong leadership skills, etc. Our high school scholarship committee determines the winner.

## **ENDOWMENT**

Donors may choose to endow their scholarship in order for it to last in perpetuity. Scholarships for \$500 can be endowed for only \$10,000 over a 5-year period. Scholarships of \$1,000 can be endowed for only \$25,000 over a 5-year period. In order for the scholarship to be awarded before the 5-year mark, the payment must be paid in full or the yearly scholarship amount must be contributed.
