

Connect

Pinewood's after school care for Middle and High School

Dear Middle and High School Parents,

Hello and welcome to Connect. This program was set up to provide after school care for students in grades 6 and up. This program may be used regularly or on a drop-in basis. The program hours are from 3:05 to 6:00 p.m. Students will have 15 minutes from 2:50 until 3:05 to go to his or her locker, use the restroom, and eat a snack before reporting to Connect in the library at 3:05. Once in the library students will have ample space to complete homework. They will also have access to computers if needed. Students will not be allowed in and out of the library to get things that they have forgotten. Please remind them to come prepared with a pen or pencil, paper, and any books they may need. On occasion, if there is a home sporting event and their homework has been completed, we may venture over to watch a game.

I have a homework policy in Connect that simplifies their routine and yours. Students may check FACTS for assignments and then start on homework. They know that all assignments must be completed before we attend any after school events on campus. Once all of their homework is complete, they are free to play board games, use computers for games, use their I-pods or phones, or just relax.

Students must be signed out by a parent when leaving for the day unless they are leaving for their team sporting event or team practice. You can call or e-mail me to let me know if your child needs to leave connect for an on-campus practice or if they will be leaving with another student.

Attached is a copy of the fee schedule. You will be billed on a monthly basis by the Business Office. If you have any other questions or concerns, please feel free e-mail me at the contact information below.
